## WEEK ELEVEN

## Next Week

### Reading:

The letter Ff (*eh-fay*). Syllables *fa-fe-fi-fo-fu*. Words “algo” (*something*) and “para” (*for*). Identifying final syllables.

### Math:

Composing and decomposing numbers, e.g.  $5=4+1$  and  $5=3+2$ . Adding one more to a number.

### Writing:

Making posters.

### Theme Time:

Thanksgiving Theme.

## What We've Practiced This Week

**Reading:** This week we learned the letter L (*eh-lay*) and practiced reading words with the syllables *la-le-li-lo-lu*. We also practiced reading the words “*dónde*” (*where*) and “*está*” (*is*) as sight words. Besides this, we read several stories as a class about farm animals and practiced drawing conclusions from the story--using clues from the story to figure out something that the author didn't tell us directly in his or her words.

**Math:** In math this week, we talked about different objects' length and weight. We practiced determining which object was the longest, shortest, heaviest, and lightest of a group.

**Writing:** This week we practiced writing sentences about farm animals that we like. We learned how to use the phrases, “*Me gusta*,” and “*Me gustan*.” We also practiced starting each sentence with a capital letter, using lowercase letters in the sentence, leaving spaces between words, and ending with a period.

**Thanksgiving Theme:** We began our Thanksgiving theme this week by reading about the pilgrims and why they were thankful. As the week continued, we talked about things for which we are thankful. We also learned about turkeys! We pretended to be turkeys as we learned about the different parts of a turkey's body, labeled a turkey, and learned different fun facts about turkeys. We're excited to learn more next week!

# Announcements and Reminders

## Winter Weather is Here!

It's official! Winter weather has arrived in Michigan. Please be sure to send your child to school with all of his or her winter gear to use during recess time. We would also appreciate it if you could help your child practice dressing in his or her winter clothes independently. Zipping up a coat, putting on gloves and boots, changing back into tennis shoes, and tying shoelaces are all great skills to practice! Helping a class full of kindergarteners get ready for recess time can be a challenge, but it helps enormously when students are able to put on and take off their winter clothes by themselves. Thanks for your help!

## Scholastic Book Orders

Remember you can place your Scholastic order online at any time to earn rewards for yourself and for our classroom. There are also many more book options available online! Our class activation code is LJRY2. November's order will be submitted on the 28<sup>th</sup>.

## Book It!

Last week a November *Book It!* calendar was sent home in your child's Friday Folders so that you can record the days that he or she reads this month. Remember that the goal is to read four to five nights a week for at least twenty minutes. Keep reading!

## You Change Can Change Hunger!

Don't forget that Bursley students are participating in the "Your Change Can Change Hunger" fund drive for one more week. All change that is sent in will be used to help children facing hunger in our area!

## Late Arrival

If your child arrives at school later after 8:50, please be sure to have him or her enter the building through the office instead of through the classroom entrance on the playground. This way, we can keep better track of student attendance and be sure that all students have ordered a school lunch. Thank you!
