

Kindergarten Spanish Immersion

*Bursley Elementary
Maestra Douglas*

12 de septiembre

WEEK TWO

Next Week

Reading:

Spanish vowels. Making predictions. Separating words into syllables. Sight word-*estoy* (I am).

Math:

All about 3 and 4. Sorting objects. Telling if objects are the same or different

Writing:

Writing names and labeling pictures.

Theme Time:

A unit study on apples!

What We've Learned So Far

Reading: This week we've focused on learning Spanish vowels (las vocales)! Ask your child if they can remember each vowel's name and sound. Please be patient as your child learns the vowels, as they are easily confused with English vowels. Use your QR code reader and your child's Spanish Alphabet Book to listen to the Spanish vowels' names and sounds. Besides practicing the vowels, we also learned to read the word "yo" and practiced using it in sentence! We also learned about making good predictions while reading stories.

Math: This week we learned all about the numbers 1 and 2! We learned to write the numbers 1 and 2, find groups of 1 and 2, and draw pictures that show groups of 1 and 2. We also learned how to tell if two objects or groups are the same or different.

Writing: Ask your child to show you their name in the "kindergarten way," written with capital **and** lowercase letters!

School Rules: This week we focused on reviewing the school and classroom rules that we learned last week. See if your child can teach you our quiet signal with "the T" and if he or she can teach you some of our school rules!

Thank you for all of your support this week!

Maestra Douglas

Announcements and Reminders

Field Trip

On Friday, October 3, all Bursley kindergarten classes will be going on a field trip to Post Family Farms! We will board the bus at 9:00 a.m. and return to school around 11:45. You will find a permission slip in your child's Friday Folder today. Please return your child's permission slip and money to school by Monday, September 22.

Apples

Next week we will learn about apples. If you could send an apple or two to school on Monday, we would appreciate it! We would love to have yellow, red, and green apples.

Kids Cat Football Game

Jenison's Annual Kids Cats game is coming soon! Consider attending the game on Friday, September 26 to support Jenison's football team. On the day of the game, a football player from the high school will come and visit our class to join us for recess. Look for more information in next week's Friday Folder!

Physical Education

This is just a reminder that our class attends Physical Education on Fridays. Please send your child to school on Fridays with gym shoes and comfortable clothing so that they can enjoy their time in the gym!

Scholastic Book Order

Last week you received several Scholastic Catalogs and a letter describing the ordering process. If you order online, you can earn a \$5 Free Book Coupon for yourself **and** help earn books for our classroom. Book orders will be placed on the 28th of each month. Let me know if you have any questions about ordering!

We Can Tie Our Shoes!

With twenty-eight kindergarteners in our class, tying shoes could be a full time job! 😊 Please take time to help your child practice tying shoelaces so that he or she can do so in the classroom. It helps us stay on task and transition quickly between activities when students can tie their own shoes!
