What We've Practiced This Week

Reading: This week we learned the letter Dd and syllables *da-de-di-do-du*. We listened to each syllable in different words, wrote the syllables, searched for words with the letter Dd, and practiced our handwriting with Dd. We also learned the words *por* (for/ through) and *muy* (very). While reading this week's stories, we retold the beginning, middle and end of the stories, described the settings, and looked for details in the illustrations and the text.

Math: During math time this week, we focused on "math talk" and using math language to describe the location of items and also to describe when an event occurred. We practiced using words and phrases like *antes*, *después*, *encima de*, *debajo de*, *al lado de*, *entre*, *dentro de*, *fuera de*, *enfrente de*, and *detrás de*.

Writing: This week we wrote about the toys with which we most enjoy playing. We practiced writing complete sentences with a capital letter at the beginning and a period at the end. We also began to practice adding details to our writing to make our writing more interesting for our readers!

Martin Luther King, Jr. Day: This week we took time to talk about the life and work of Dr. King. Our kindergarteners did a great job engaging in dialogue about respecting others and treating each other fairly.

Report cards are coming home today! Be sure to check your child's Friday Folder for his or her first semester report card. If you have any questions about any of the information or comments, feel free to email me.

Spanish Immersion Sibling Intent Form

The envelope containing your child's report card also has a Spanish Immersion Sibling Intent form for the 2015-2016 school year. If you have a younger child who will be in kindergarten next year, be sure to fill out the form and return it to the **JPS**

Administration Office. It is essential that this form be filled out and returned by **March 27, 2015** if you would like your child to receive priority placement given to siblings. Take advantage of this opportunity to ensure that your child has a place in the program next year and to save yourself from waiting in line again. ☺

I apologize again for the delay! Remember that the *Book It!* goal is to read with your child four to five times a week for at least 20 minutes. Keep reading!
