### What We've Practiced This Week

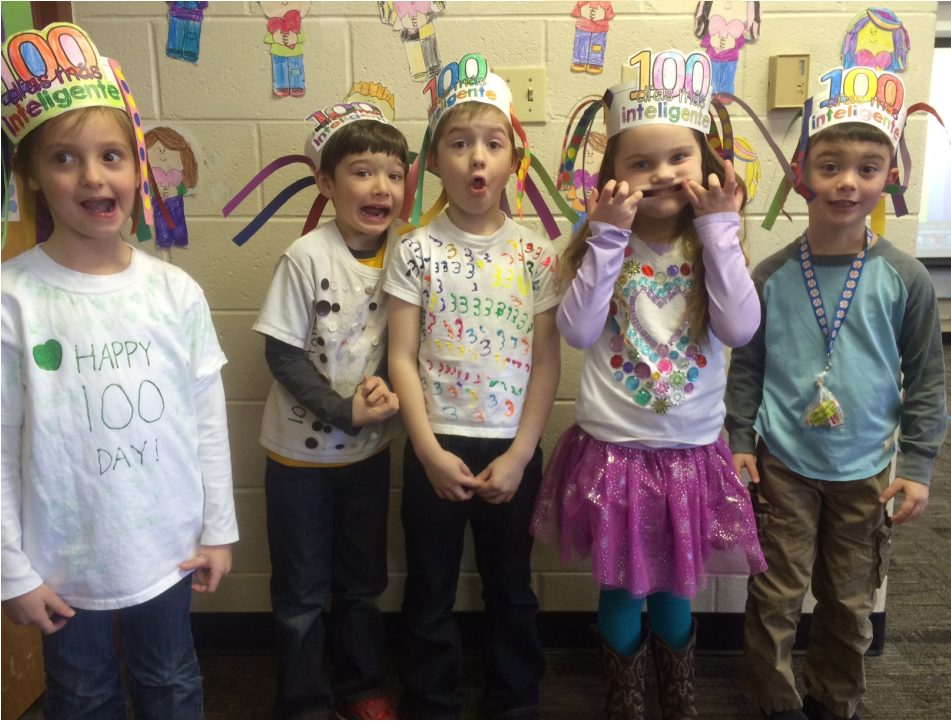

**Reading:** Our focus letter this week was Ññ and syllables *ña-ñe-ñi-ño-ñu*. We began by practicing the sound itself and saying each of the syllables. It can be a tricky sound to make! We then listened for Ññ in different words and practiced reading words with Ññ. We practiced the words *más, son, and y* and looked for them in books. While we read our stories this week, we talked about the difference between fantasy and reality genres. Finally, we discussed opposites!

**Math:** We continued practicing the numbers from 10-20 this week. Not only did we work on finding the parts of a teen number, e.g. 14 is 10 and 4, but we also practiced naming teen numbers when they are out of order. We also practiced using the words *más* and *menos* to compare groups of objects with over ten items.

**Writing:** This week we practiced writing with opposites! We began the week by learning opposites in Spanish, like *alto* (tall) and *bajo* (short) and *triste* (sad) and *feliz* (happy). We then wrote sentences with these words, comparing ourselves with another person.

**100 Days of School:** We had a great time celebrating the 100<sup>th</sup> day of school this week. Besides making 100 day crowns and 100 day necklaces, we also completed several 100 day crafts, including one where we predicted what we will do when we are 100 years old! Be sure to ask your child about the games we played in our 100 day centers.
